Re: Priority Early-Registration

Dear Parents,

We are pleased to announce that our student body now exceeds 150, with most of our classes near, or at capacity!

In order to ensure that all current students have the ability to enroll for the 2012-2013 school year, we are offering an early-registration period. This will allow us to assess each family's intentions for the upcoming school year and will help us determine the number of openings we will have available to new families. Please complete the attached form and return it by Wednesday, February 29th, 2012. Please return the form even if you are not interested in registering at this time.

Thank you for your assistance. If you have any questions, please do not hesitate to contact either Peggy or Rachel.

Yours truly,

Fred and Peggy
